MENUMASTER®
Commercial

Model DEC11E2 shown

Heavy Volume
Menumaster Commercial Microwave Model DEC11E2

Power Output
- 1100 watts of power.

- 11 power levels for consistent, delicious results for frozen, refrigerated and fresh foods - from the freezer to table in minutes.

- Unique method of energy distribution provides superior even heating throughout the cavity.

- Interlock switch assembly is engineered for maximum durability and long life.

Easy to Use
- Up to 100 programmable menu items simplifies cooking and ensures consistent results.

- Four stage cooking option with one-touch programming. Reduces prep time, labor and food waste while providing consistent results.

- Controls are user friendly and require minimal training.

- Multiple quantity pad calculates the proper cook times for multiple portions.

- Ample 17 liter (.6 cubic ft.) capacity accommodates a standard half-sized pan.

- Stackable to save valuable counter space.

- Interior ceramic shelf is sealed and recessed to reduce plate-to-shelf edge impact and keep spills contained.
Easy to Maintain
- Stainless steel exterior and interior for easy cleaning and a professional look.

- Constructed to withstand the foodservice environment.

- Removable, cleanable air filter and clean filter reminder protects oven components.

- ETL Listed.

Heavy Volume
This category of microwave is ideal for...

Applications:
- Quick service restaurants
- Fast casual dining
- Bars & grills

Defrost:
- Defrosts most frozen food products
