- Colour Option - Black -

07 - 320  
07 - 337  
07 - 303

## DESCRIPTION

The Nexus 30, 50 and 100 models are now available in a Black colour option.

All optional extras including apertures and graphics are the same as currently offered on the Grey models of each product. Black colour options for optional extras such as sign kits (Nexus 20, 50 100) and side pods (Nexus 50, 100) are now available and should be selected when placing orders for Black bins. All Black models are manufactured in virgin polymer and so contain no recycled content. The Grey models which continues to contain a percentage of recycled material (see PRU, March 2024).
